

LET'S PELLETT

Pellet's for your business

100% quality wood pellets produced by experienced professionals.

WHY US?

BREVEL&RETIM EUROPE — your reliable suppliers of cheap and eco-friendly heat.

You will receive the best price

Our production facilities are located in Ukraine, which allows us to obtain a lower production cost, reduce CO2 emissions and offer you a better price

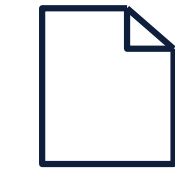

En Plus certified pellets

Our production facilities and pellets as well are certified by EN Plus. A1 quality.

FSC and state controlled forest resource management

We use in the production of wood residues from local Ukrainian forests, eco-clean Polesje region. All wood residues are obtained only after controlled logging according to FSC and state standards.

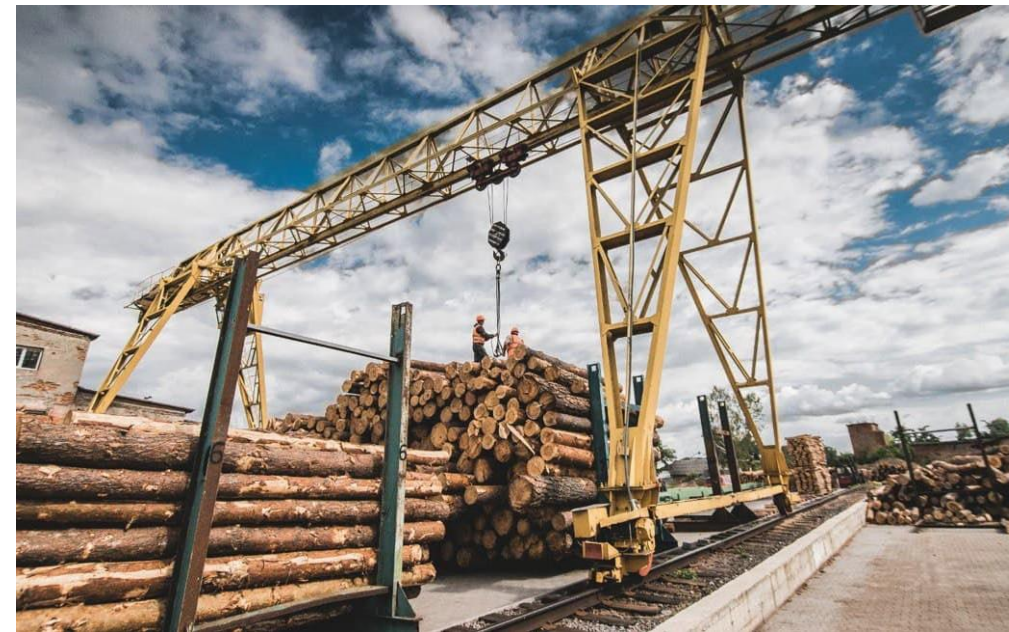

We are guided by Claims Policy

We are guided in our work by developed and approved Claims Policy in accordance with the EN Plusstandard.

It's easy, reliable, and comfortable to work with us.
